

# Quick Tips for Securing Your Home

- Don't put first name on mailbox or in phone book, use initials.
- Don't list name and phone number on answering machine message or use your children's voices.
- Always lock your door with a deadbolt.
- Keep windows double locked.
- Use a peephole or window to check who's at your door.
- Never open the door to strangers.
- Always keep your garage door down and locked.
- Don't hide the spare key under the doormat.
- Use lights outside with motion sensors.
